Are you traveling for your studies this coming year? Apply for the Dailey Family Travel Award!

This award provides a stipend of up to $1500.00 for students traveling with the purpose of studying the visual arts. The stipend may be used for travel expenses, lengthening a stay, or other research purposes related to pursuing interests in the arts.

The applicant must be a declared major or minor in Art or Art History, who is studying for research abroad or in the United States during the summer of 2016 or the upcoming 2016-2017 academic year.

Application Guidelines

Applicants must identify a goal and a project, such as creating a portfolio of artwork, or museum research in preparation for an art history thesis, and provide as much specific information as possible about the planned itinerary (with leeway for unexpected opportunities).

Please compose an essay of up to 500 words (typed, double spaced) describing your project, including where you will be traveling, including a tentative itinerary; how you expect to use the funds, including a projected budget; and how your travel will benefit your educational goals.

Applicants must contact a faculty member from the Department of Art and Art History as soon as possible to sponsor their proposal. The professor should be someone who knows the student’s work and can provide guidance in the application process. Please provide a copy of your paper to them in time to allow them to read and approve the paper before the deadline. No submissions will be accepted without the approval and signature of a faculty member on the application form.

Submit the proposal to the department office (Walsh 102) by noon on Wednesday, April 6th, 2016.

Ceremony & Obligations

Award recipients will be honored at the Misty Dailey Awards Ceremony on Friday, April 22nd, 2016, where they will be presented with a cash award and certificate. A reception for the winners and the Senior Studio Majors’ Exhibition will follow in the Walsh Lobby. Recipients are also invited to a formal dinner with the Dailey family following the reception. Recipients will be notified in advance of their awards.

Students who are granted the travel award will undertake a creative or scholarly project documented by keeping a written or visual journal. They will be required to make a short presentation about their projects to faculty and students in the department at the Dailey Awards Ceremony in 2017.
